

Our Global TeamSYNC Framework

Real teams, real results.

Air France-KLM // Cikaår supported 80+ teams & 60+ leaders across 3 departments and 4 countries during a major international transition.

- ✔ **Improved trust & collaboration** reported by 100% of teams
- ✔ **Stronger alignment & sense of team identity** across multicultural, multi-site teams
- ✔ **Tangible actions implemented** that improved day-to-day execution within teams & between departments
- ✔ **Catalogue of Best Practices** co-created by 60+ leaders & embedded across teams

“Cikaår played a key role in helping our teams collaborate effectively across cultures during a critical phase of our transformation. Their approach was practical, impactful, tailored to our global context, and widely appreciated by people at all levels of our organization.”
